

POWERING YOUR CAREER

**Pro-active Customer Service Responder
Role Profile**

Pro-active Customer Service Responder

Location: South Yorkshire/ West Yorkshire

Directorate: Field Operations

Job Ref No: R5200

Do you want to help power your career and be part of an evolving energy industry?

We have some exciting and rewarding opportunities for Customer Service professionals to work in one of our regional teams, based in South Yorkshire or West Yorkshire, as on-site Pro-active Customer Service Responders.

The energy industry is advancing with investment in smart technology innovation and Northern Powergrid, as the company responsible for powering everyday life for 8 million customers across 3.9 million homes and businesses in the North East, Yorkshire and northern Lincolnshire, is at the forefront of delivering a power network that meets the regions' needs now and in the future.

If you have the enthusiasm and ability to deliver an outstanding customer experience and a full UK driving licence, we will support you with the rest. Our on-site Pro-active Customer Service Responders are at the very heart of our business – they really are Team Powergrid!

We are looking for people with a 'Customer First' mindset, to provide a professional, quality service to our customers as we strive to continually deliver a consistent 10 out of 10 experience to all our customers.

What you would be responsible for:

- Providing pro-active welfare on-site support during a long duration (>6 hour) power cut, using initiative and appropriate judgement to provide personalised, practical support;
- Identify priority services membership customers that need additional support;
- Carry out detailed assessments of our customers' needs and ensure we deliver the support required to achieve the best outcome for the customer;
- Accurately record all customer interactions and support delivered on-site;
- Be a brand ambassador, identifying customer needs to refer into our partners for further support, i.e. fuel poverty, energy efficiency;
- Work with the Customer Vulnerability Manager in identifying any improvements to our enhanced service offering and how it's delivered onsite;
- Identify and register customers for Priority Services Membership that are not currently signed up but would benefit from being a member; and
- Resolution of complaints on-site and support regional resolution of complaints.

What's in it for you:

- Starting salary: £25,685 with progression to £28,211
- Company car allowance
- Enrolment in our pension scheme with a generous company contribution
- 25 days annual leave entitlement, increasing with length of service
- Fully supported and structured training programme
- Reward and recognition scheme

Why choose Northern Powergrid?

- One of the largest employers in the North East and Yorkshire
- Make a difference and support customers within your community
- Be actively involved in your regions' journey to net zero
- To provide support to local and vulnerable people in your region
- We have committed to a growth strategy of an additional 1,000 roles over the next five years
