

# **POWERING YOUR CAREER**

**HGV Driver  
Role Profile**

**HGV Driver**

**Location: Northallerton**

**Directorate: Field Operations**

**Job Ref No: R5374**

Do you want to help power your career and be part of an evolving energy industry?

An exciting opportunity has arisen for an enthusiastic colleague to join our Field Operations Department.

At Northern Powergrid, our vision is to be the best energy company in serving our 3.9 million homes, whilst delivering a sustainable energy solution. As a dedicated HGV Driver you will be an integral part of achieving this, while always striving to keep our customers power flowing. This is a key role within the organisation; it operates over a standard day shift pattern, which assists us to make customer connections, and respond quickly to our customers where they have lost supplies. The successful candidate will also be required to work overtime in fault and emergency circumstances.

Excellent customer service skills are required in this role, as well as excellent communication skills to enable a high level of customer service is delivered and customers are reconnected as quickly as possible.

We're excited to hear from you if you have a passion for the company and a desire to succeed. Apply now and we'll be in touch!

Along with a competitive salary of up to £29,192 we also offer great benefits such as;

- Enrolment into our pension scheme
- 25 days holiday

We're excited to hear from candidates with a passion for our company and the industry and a desire to succeed. **Apply now** and we'll be in touch.

### **Key Responsibilities**

The successful candidate will:

To operate safely, assisting in with the installation of poles and plant. To ensure the safety of staff and the public, respond quickly to faults and no supplies. The ideal candidate will have prior experience in the area, enjoys working outside, and is used to manual work.

### **Key Competencies**

- Team working
- Spoken communication
- Time management
- Written communication
- Customer service
- Interpreting information
