

# **POWERING YOUR CAREER**

**Analyst – Reporting, Finance  
Role Profile**

## Analyst – Reporting, Finance

Location: Castleford

Directorate: Finance

Job Ref No: R5034

Do you want to help power your career and be part of an evolving energy industry?

An opportunity has arisen for an Analyst to join our Finance - Reporting Team in Castleford.

The energy industry is advancing with investment in smart technology innovation and Northern Powergrid, as the company responsible for powering everyday life for 8 million customers across 3.9 million homes and businesses in the Northeast, Yorkshire and northern Lincolnshire, is at the forefront of delivering a power network that meets the region's needs, now and in the future.

Our vision is to be the best energy company in serving our 3.9 million homes, whilst delivering a sustainable energy solution. As an Analyst you will assist the Finance Manager – Reporting to provide reliable, timely and insightful financial reports. You will be responsible for completion of general ledger reporting tasks, providing financial reports and analysis and running financial models.

Along with a competitive salary of £30,149- £34,953 we also offer great benefits such as;

- Enrolment into our pension scheme
- 25 days holiday, increasing to 28 days after 5 years of service
- study support to gain a professional accountancy qualification

We're excited to hear from candidates with a passion for our company and the industry and a desire to succeed. [Apply now](#) and we'll be in touch.

### Key Responsibilities

Ideally using previous accounting experience, the successful candidate will play a key role in providing financial information, reports and analysis within the Finance Reporting team. You will:

- Prepare monthly financial reports, variance analysis and business performance data;
- Calculate and process journals, to a high level of accuracy;
- Assist with the consolidation and upload of the annual Business plan, and update of monthly forecasts;
- Support the production of the regulatory and statutory accounts and the Regulatory Reporting Pack (RRP) and assist with external audit queries;
- Provide detailed analysis required for taxation purposes;
- Complete monthly reconciliations and address data integrity issues;
- Assisting with financial modelling and reporting for financial items such as overheads, depreciation and assets in the course of construction; and
- Support others in finance with ad hoc reporting to deal with business queries.

## **Key Competencies**

To be successful in the role the candidate will need:

- Strong analytical & numerical skills
- Possess good IT skills and be proficient using CFS or a similar Financial Operating System with a good working knowledge of MS Office applications (Outlook, Word, and Excel) and Teams
- Have excellent planning and organisation skills, to prioritise and deliver tasks to deadlines
- To be a strong team player with good interpersonal skills and able to collaborate with others
- Have excellent written and verbal communication skills

## **Qualifications and Attributes**

### Essential Qualifications and Experience

- GCSE Grade C (or equivalent) in Mathematics and English Language; and
- 2- A-Levels Grade C or above OR an NVQ Level 4 OR an HNC in Business Management
- Significant experience working in an accounts environment with general ledger and wider accounting experiences OR holds a relevant or numerate degree eg Accounting and Finance

### Desirable Qualifications and Experience

- Is working towards an accountancy qualification eg AAT, CIMA
- Working within the Finance department of a large company with sophisticated financial systems.
