

POWERING YOUR CAREER

**Logistics Warehouse Operative
Role Profile**

Logistics Warehouse Operative

Location: Billingham

Directorate: Field Operations

Job Ref No: R5604

Do you want to be part of a diverse workforce, shaping the electricity distribution network of the future and delivering net zero?

An exciting opportunity has arisen for an enthusiastic colleague to join us as a Logistics Warehouse Operative – Responsible for day-to-day safe storage and issue of engineering materials.

The energy industry is advancing with investment in smart technology innovation and Northern Powergrid, as the company responsible for powering everyday life for 8 million customers across 3.9 million homes and businesses in the Northeast, Yorkshire and northern Lincolnshire, is at the forefront of delivering a power network that meets the region's needs, now and in the future.

Our vision is to be the best energy company in serving our 3.9 million homes, whilst delivering a sustainable energy solution.

Competitive salary depending on skills and experience of £21,586 - £23,478

Key Responsibilities:

- Record accurately deliveries and issues/returns into Northern PowerGrid's computer system CFS (Oracle).
- Match goods received with delivery notes.
- Unload and receive goods from suppliers and internal deliveries.
- Issue goods to Engineering Departments
- Maintain correct stock levels.
- Stock taking to be completed at a given times.
- Ensure stock security is maintained at all times.
- Ensure warehouse is kept clean and tidy at all times.
- Deliver fault materials to site.

Key Competencies:

- Counterbalance Fork Lift Truck Licence
- Awareness of H&S at work
- Communication Skills
- Customer Service
- IT Skills
- Time Management
