

POWERING YOUR CAREER

**R4976 Works Co-ordinator
Role Profile**

Works Co-ordinator

Location: North Yorkshire Region

Directorate: Field Operations

Job Ref No: R4976

Do you want to help power your career and be part of an evolving energy industry?

An exciting opportunity has arisen for an enthusiastic Works Co-ordinator to join our team.

The energy industry is advancing with investment in smart technology innovation and Northern Powergrid, as the company responsible for powering everyday life for 8 million customers across 3.9 million homes and businesses in the North East, Yorkshire and northern Lincolnshire, is at the forefront of delivering a power network that meets the region's needs now and in the future.

Our vision is to be the best energy company in serving our customers, whilst delivering a sustainable energy solution. We are looking for someone who is passionate about communications and can help share our story as we deliver our plans to invest in our network, support net zero and create a greener energy future. You will be an integral part of achieving this, while always striving to keep our customers power flowing. This is a key role within our Regional Operations team for a Works Co-ordinator to deliver a mix of LV and HV overhead and underground fault repairs.

Along with a competitive salary from £32,945 to £42,412 we also offer great benefits such as;

- Enrolment into our pension scheme
- 25 days holiday
- Up to 10% performance bonus

We're excited to hear from candidates with a passion for our company and the energy industry and a desire to succeed. [Apply now](#) and we'll be in touch.
