

# **POWERING YOUR CAREER**

**R5274 Safety Craft Attendant  
(Jointers Mate)  
Role Profile**

## Safety Craft Attendant (Jointers Mate)

Location: Teesside

Directorate: Field Operations

Job Ref No: R5274

### Do you want to help power your career and be part of an evolving energy industry?

An exciting opportunity has arisen for an enthusiastic Safety Craft Attendant (Jointers Mate) to join our team on Teesside.

The energy industry is advancing with investment in smart technology innovation and Northern Powergrid, as the company responsible for powering everyday life for 8 million customers across 3.9 million homes and businesses in the North East, Yorkshire and northern Lincolnshire, is at the forefront of delivering a power network that meets the region's needs now and in the future.

Our vision is to be the best energy company in serving our customers, whilst delivering a sustainable energy solution. We are looking for someone who is passionate about communications and can help share our story as we deliver our plans to invest in our network, support net zero and create a greener energy future. You will work usually as part of a 2 person team, working on construction, installation, decommissioning, maintenance, public lighting cables, service cables, Low Voltage and High Voltage cables, including Fault repairs, working as a safety attendant.

Along with a competitive salary starting from £19,693 (plus banked hours) with competency increments up to £29,162 (plus banked hours) we also offer great benefits such as;

- Enrolment into our pension scheme
- 25 days holiday

We're excited to hear from candidates with a passion for our company and the energy industry and a desire to succeed. [Apply now](#) and we'll be in touch.

### Key Responsibilities

The role is to work in a jointing team, assisting the cable jointer when working on service, LV and HV cables on the NPG network, predominantly in the Teesside region. The work is predominantly outdoors. Work includes excavating ground works and cable installation ranging from service cables to High voltage cables

## Key Competencies

Full UK driving licence  
Used to working outdoors

## Qualifications and Attributes

Desirable Qualifications and Experience

- Trained to operate excavation machinery(mini excavators)
- Previously worked for a DNO or a service provider
- Experience of ground works
- Experience of working unsociable hours
